BLOWS HIS HEAD OFF WITH DYNAMITE

PRISONER UNDER INDICTMENT ENDS ALL PROCESSES OF LAW

Billy Brown, under indictment for cutting Skinny William's throat and due to have appeared in court last Wednesday morning at 10 o'clock, evaded all processes of the law by blowing his head off with a stick of dynamite. He carried out his last purpose in his cabin in Austin a little after 8 o'clock Wednesday, says the Reville.

He had made threats of suicide on Tuesday night and friends deprived him of a six-shooter with which he would close the chapter. W. H. Whitburn, his bondsman and friend, hearing of his threats, went to the cabin just as Brown was completing arrangements for the final shot. He tried the door and found it locked. He called out to Brown to let him in. Brown replied: "Look out, she's going." As Whitburn stepped instinctively aside from the door, the explosion followed, shattering the windows and tearing a great hole in the floor. Brown's head was shattered.

Louis Dyer, deputy sheriff, and Fred Luetjens, constable, were soon on the spot. They forced the door and with Whitburn entered.

Brown was a miner and had lived in Austin eight or ten years. He is reported to have a mother and son living in Montana.

Coroner J. J. Malloy impaneled a jury composed of Joe Moss, Hubert Rast, P. H. Myles, H. L. Schmidlein, Earl G. Hill, and John B. Zelnio. After viewing the body and hearing the testimony of a few witnesses a verdict of suicide was rendered.

The funeral of the unfortunate man was held Thursday afternoon.

\$10,000 PAYMENT MADE ON COPPER QUEEN GROUP

On Saturday, May 1, Fred D. Nowell paid into the Mercantile Trust Company of San Francisco, \$10,000 to the credit of H. R. Lemaire and associates as first payment on the bond and lease of the W. P. Hammond syndicate on the Copper Queen group of copper claims in Copper Basin. This is pretty good evidence that the Hammond people have come to stay and we can look confidently

for the boom which we predicted months ago to materialize.—Scout.

DOUBLE DECK CHARGES ON SHEEP REDUCED

The Southern Pacific company's tariff schedule for transporting sheep in double deck cars has been declared unreasonable and excessive by the interstate commerce commission. The commission ordered a reduction and the decision holds that a rate equal to 170 per cent of the single deck rate will be reasonable.

Sheep shippers will effect a saving of 15 per cent on shipments under the new rates, according to Dave Staanton, secretary of the Nevada Cattle Owners' association.

NEW MURDER TRIAL BY COURT DECISION

Yesterday afternoon District Attorney Carville received a telegram from the clerk of the supreme court that a verdict had just been rendered by it reversing the findings of the lower court in the Huber case, says the Elko Free Press. Huber shot William Billings at Mountain City, killing him instantly, and the jury brought in a verdict of life imprisonment. The decision of the supreme court means that a new trial will be held in a short time.

MAY DISTURBED MORE THAN APRIL, SAYS FATHER RICARD

The May number of the "Sunspot" under the editorship of the Rev. J. S. Ricard of Santa Clara university, has made its appearance and contains much valuable information. Father Ricard predicts that May will be more disturbed than April, there being a seeming irregularity in the movement of the atmosphere. There will be several warm waves distributed throughout month.

Kitchen Economy

With wood or coal—waste heat. Too much or too little for best cooking. In hot weather too much heat coming out into the room.

With a good oil-stove—no waste heat or fuel. One burner or four—low flame or high—a slow fire or a hot one. All the convenience of gas for every home, all the year round.

New Perfection Oil Cook-Stove

For Best Results Use Pearl Oil

Better cooking—flame adjustable to just the degree needed for roasts, for bread, for pastry. No odor. Does not taint the food. A cool cook and a clean kitchen. Ask your dealer. See demonstration, Palace of Manufactures, Panama-Pacific Exposition.
